

## Volunteering Opportunities

July 2020

In a JVN survey 100% of our volunteers said they are happy volunteering with us.

Here are some comments from our volunteers on volunteering for Jami:

“Jami is a solid gig!”

“Jami has become part of my life!”

“It’s a pleasure being at Jami.”

“It’s been a great privilege to be a volunteer with Jami. “

“I love coming here – it is better than going to work! Coming here is like being born again.”

“It is not a burden but life enhancing”

Jami welcomes applications from Jewish and non-Jewish people from the whole spectrum of the community. We are committed to safeguarding and expect all employees and volunteers to share this commitment. An enhanced DBS check will be required. For more information on any of these roles, email [Kelvin.Zane@jamiuk.org](mailto:Kelvin.Zane@jamiuk.org) or call 020 8458 2223. Help us to transform the landscape for mental health by volunteering with Jami.

### Meal delivery volunteers – collection from JW3 (NW3) and/or Jewish Care (N11)

We are looking for drivers who are happy to deliver meals and speak to vulnerable service users on Tuesdays and/or Thursdays from 11 a.m.

### Compeer/befriending – across North West, North and East London/Essex

Befriending is currently by phone but could develop into face to face meetings and doing activities to reduce isolation and support Jami service users.
